SPECIALTY COFFEE

We pride ourselves on serving specialty grade coffee. Specialty means we pay a premium for the sweetest coffee beans produced by estates around the globe. The beans are from fully ripe sweet coffee fruit that are not sold to large commercial buyers as the farmers demand a higher price multi-nationals are not willing to pay.

We offer a variety of extraction methods such as drip, espresso, & cold brew. Flavors & recipes can be applied to beverages crafted across the different brewing methods including **Frappes** which are blended with ice to create a frozen delight.

For non-coffee drinkers, we offer **Specialty Teas, Italian Soda, & Flavored Milk**, in addition to bottled beverages. Boxed Coffee "Joe To Go" is a favorite amongst the local professional communities as an addition when catering baked goods & food. We invite you to come speak with us on how can service your events.
